Athletes need to turn in the following forms by the due date for their respective sports:

- Registration Form and Fee
- Athletic Contract (5th-8th)
- Physical Examination Form (only for 5th grade and above, once per year)

Players will not be allowed to participate in any athletic activity until the physical examination form is on file.

Coach Selection

Prospective coaches (head and assistant) shall fill out a coaching application form during the registration period for their respective sports. Coaching positions will be assigned by the Athletic Director and approved by the School Administration.

Player Evaluation and Team Selection

In the event that more than one team is formed per age group, teams shall be selected based on player evaluations. Player evaluations shall be done in order to divide teams equally at all levels with the exception of 7th and 8th grade A/B level teams.

The PE teacher will be involved in evaluations for younger students where possible.

For A/B level placement and when evaluations are necessary for team selection, evaluations shall be held on multiple days (2 minimum) in an effort to have all players available. Players must attend a minimum of one evaluation and are encouraged to attend them all. The Athletic Director and Sport Coordinator shall oversee the evaluation process while head coaches for the sport being evaluated shall run the evaluations. The Athletic Director may also appoint individuals to assist/run drills for the evaluations. Team selection shall happen after evaluations and parents will be notified.

Players that do not make any of the evaluations shall not be placed on a team. The Athletic Director and School Administration will handle any special circumstances.

Additional information regarding evaluating players will be included in the mandatory coaches meeting.

Coaching Shortages

In the event there are not enough coaches for the number of players registered, evaluations will also be used to determine which players will get to play and which ones will not. Registration fees will be returned to all players not selected to play.

Maximum Number of Teams

The School Administration and the Athletic Director will determine the maximum number of teams that can be supported in a given season. If the maximum number of teams in any sport is reached, evaluations will also be used to determine which players will get to play and which ones will not. Registration fees will be returned to all players not selected to play.

COACHING EXPECTATIONS

Coaches are considered to be an extension of the school and parish ministry. It is a coach's responsibility to set the tone and give direction to the team.

Youth Protection

Every three years, all coaches, assistant coaches and team helpers must complete Diocesan Child and Youth Protection training and complete an AS-1 form for the required background check. Verification of this training occurs at the beginning of each season.

Concussion Action Plan

Every year, all coaches, assistant coaches, and team helpers must complete online concussion training. (www.cdc.gov/concussion/HeadsUp/online_Training.html). Certificated verification must be turned in prior to the first coaching assignment for the school year.

Application

Each coach must fill out an application and is selected by the Athletic Director/School Administration. Coaches are required to attend a coaches meeting and sign a Coach's Code of Conduct form.

Conduct of Coaches

Coaches as role models foster good sportsmanship and teamwork among coaches and athletes. Annually, each coach shall be required to sign a Coach's Code of Conduct form. This code outlines detailed expectations for all coaches and assistant coaches. Of particular importance is the language that is used with the athletes, focus on sportsmanship, and treatment of officials.

Coaching Duties

Includes but are not limited to:

- Plan practices (making sure two adults with youth protection are there at all times)
- Supervise athletes at all times until they are picked up from practices/games
- Make sure athletes warm up properly before practices/games
- Maintain safe playing conditions
- Ensure clean facility at end of practices/games
- Communicate clearly with athletes and parents
- Fulfill record keeping /clerical responsibilities (includes uniform distribution and collection)

Communication with Athletes and Parents

Coaches are not required to discuss or defend coaching strategies. During the season, discussions of individual concerns regarding your athlete should always be done in person. If a face-to-face meeting is not possible, a phone call is preferable to email.

Practices

Practice times and sites will be assigned by the Sports Coordinator. Coaches are not to schedule additional practices, games/scrimmages outside the schedule or outside the St John's facilities without prior consent of the Athletic Director. When school is cancelled due to weather there are **NO** practices or games that day.

Transportation

Coaches may not transport players in their personal vehicle. It is the parents' responsibility to provide transportation for their children.

Prayer

In our Catholic community, prayer is not only permitted, it is welcomed and encouraged. Prayer should become an essential component of a team's culture, not just a rushed event before or after a game or practice. Coaches are encouraged to build and create spiritual traditions into their approach to coaching.

End of Season Celebration/Athletic Banquet

At the end of each season a team reception and awards are provided for Pre-K through 4th grade athletes. Athletes in grades 5-8 are invited to attend the Athletic Banquet held in May of each year.

STUDENT EXPECTATIONS

Students and parents should recognize that participation in the athletic program is not a right of all students, but a privilege. By joining the school's athletic program, a student becomes a representative of his/her team and of St. John's Catholic School.

Eligibility

Only students currently attending St. John's Catholic School shall participate in the school athletic program.

We expect student-athletes to maintain academic and behavioral standards in keeping with the St. John's School Student-Parent Handbook. These guidelines apply while on school premises, during practices and competitions, and in the public arena.

Students in grades 5-8 may not be allowed to participate in sports program if they have an average below C in any of their subjects at the time report cards are distributed. Eligibility is determined at each quarterly report card. For fall sports, the preceding year's fourth quarter report card is used to determine eligibility. (*The Athletic Director is responsible for informing a coach of student-athletes that are not eligible to play.*)

Ineligible students are not allowed to attend practice or play in games and will be re-checked every two weeks from the official marking period.

If a student receives school suspension, he/she may not participate in practice or games during the suspension. Furthermore, the student will be suspended for one game following the school suspension.

Student-Athlete Behavior

Students shall model behavior consistent with the Catholic values they are taught at St. John's Catholic School. As representatives of St. John's Catholic School, students shall be role models to the school and community while fostering good sportsmanship and teamwork through their participation in the athletic program.

Attendance

All student-athletes must be in attendance at least ½ of the school day (3.5 hours) to participate in practice or a game. Students who do not participate in PE class due to illness or injury may not participate in sports that evening.

All student-athletes must recognize the time commitment made to a team. Students are expected to attend all practices and games. If they cannot attend a practice or game, the coach should be notified in advance. Consequences for missed practices or games will be provided by the coach at the beginning of the season. Consequences may include a loss of playing time for the student.

Athletic privileges may be suspended or revoked for behavioral problems. School Administration shall have the sole responsibility for implementing and overseeing discipline.

Requirements for Students Participation in Sports:

- Completion of registration paperwork and payment of fees
- Current Physical exam on file
- Students in grades 5-8 must meet eligibility requirements
- Signed Student Code of Conduct

- Signed concussion action plan

Dress Code/Uniforms

Athletes are to wear a school-issued uniform and treat their uniform with care and respect. All game shirts will be tucked in. When St. John's students are in uniform, they are expected to act in a manner that reflects positively of the school.

Uniforms must be returned to the coach at the conclusion of the season. If a uniform is not returned, parents are responsible for the cost of replacing the uniform.

Sportsmanship

Student-athletes are expected to display the best of Christian courtesy and manners to all officials, coaches, opposing coaches, players, and spectators. At all times good sportsmanship is the rule, not the exception. The penalty for unsportsmanlike behavior during a practice or game will be determined by the coaches with input from the Athletic Director and/or School Administration as necessary.

PARENTS' AND GUARDIANS' EXPECTATIONS

Parents have a responsibility to actively work to ensure that the Catholic mission and identity of St. John's permeates the athletics program.

Five Ways to Support your Student-Athlete

1. **Be present** - Show up to games, cheer, and support our teams!
2. **Be positive** - Children learn from modeling. When talking about the game, season, performances and decision-making, please share the gift of a positive outlook on life. Make sure that your child knows that, win or lose, it is important that he/she did his/her best.
3. **Encourage independence** - Encourage student-athletes to be responsible for the care of their athletic gear and to be prepared for practices and games.
4. **Observe the "24 hour Cushion"** - Allow coaches the time they need to process their decisions before approaching them with any questions. As stated above, coaches are not required to discuss or defend coaching strategies.
5. **Model St. John's behavior expectations for opposing spectators** - Take pride in our athletic program and
 - cheer for our team rather than against our opponents
 - recognize and appreciate good play from both teams
 - respect the integrity and authority of game officials
 - allow coaches to coach without criticism from the spectators
 - help clean up at the end of athletic events

Transportation

Transportation to/from practices and games is the sole responsibility of the parents. Please ensure that your student-athlete is picked up promptly at the end of each practice/game.

Removal from Team – Parent Decision

The School Administration, Athletic Director and coaches will respect and support the decision of a parent to remove his or her child from a team for any reason. However, once the child is removed, he or she may not return to that team for the remainder of the sport season.

Parental Behavior

It is expected that parents will conduct themselves at all athletic events as representatives of our school with enthusiasm, sportsmanship, and respect. Failure to do so, whether or not the behavior was cited by an official or school representative, will not be tolerated.

Abusive, coarse, or obnoxious behavior will be subject to review by the School Administration and Athletic Director. Parents who exhibit such behavior at St. John's athletic events may be prohibited from attendance at future athletic events. Failure to comply with such requests may result in the child being removed from the team.

All parents/guardians are expected to sign and abide by the Parents' Code of Conduct form. All parents/guardians are expected to sign and abide by the concussion action plan.

REVISIONS/MODIFICATIONS TO PROCEDURE

The Principal may make changes to any procedure outlined in this handbook as needed, and has the final decision with regards to any policy.

The Principal has the authority to remove a student or cancel a season if coaches, student-athletes or parents are not adhering to St. John the Baptist Catholic School standards.
