

### St John's Chess Club Expectations

\*If you like, you may bring a snack. You are responsible for bring one and helping to clean up afterwards.

\*This is a learning community. We will all be learning, some as beginners and some a bit further along. We help each other learn.

\*When we start to play, we practice good sportsmanship.

Whether you win or lose, do it gracefully. Offer your opponent a hand shake and a positive comment such as: "Good game."

\*We expect that you come ready to learn and to help others learn. If you cannot be respectful of other people in the group, you will be asked to leave.

If you are comfortable with these expectations, we ask that both parent and student sign below. Please return the bottom portion on or before October 12 to either Dr. Cole or Mrs. Crown.
