The seven themes of CATHOLIC SOCIAL  
TEACHING for children

This week we continue to learn about the Catholic Social Teaching, the Call to Family, Community, and Participation.

The person is not only sacred, but also social. The way we organize our society - in economics and politics, in law and policy - directly affects human dignity and the capacity of individuals to grow in community. The central social institutions that we all must support and strengthen are marriage and family. All people have a right and a duty to participate in society, seeking together the common good and well-being of all, especially the poor and vulnerable. As Pope Francis wrote in *Amoris Laetitia - On Love of the Family* - "The family is an agent of pastoral activity through its explicit proclamation of the Gospel and its legacy of varied forms of witness, namely solidarity with the poor, ..., protection of creation, ..., and commitment to the promotion of the common good, through the practice of the corporal and spiritual works of mercy." All of us are able to create "a greater sense of responsibility and a deep love for the land" by participating in Church ministries and by practicing the works of mercy. As members of families and communities, how can we participate together in Christ's mission?

## IT'S BOOK FAIR TIME!

October 22-26, 2018 is our Fall Book Fair! Our students are excited and looking forward to attending. Parent Volunteers are needed to help at Book Fair in two hour blocks of time. If you are able to help longer, that would be wonderful. Book Fair will be open during Parent Teacher Conference times and help on both Tuesday and Wednesday afternoon would be very much appreciated. Classes are signing up to come and preview and later in the week, to come and buy. To volunteer, Youth Protection I is required. If you would like to volunteer, please email me at school, jcrowne@stjohnb.com and let me know the day and times you are able to work.

**REMINDER: Students may not be pulled from their classes to attend the book fair during school hours. Please review the schedule below for times that you can visit as a family.**

Starting last year, Scholastic offered a digital payment option called eWallet, where parents could create an account, add funds to the account using their credit/debit card and the students could shop with that amount. Students would not be carrying money, but could still buy from the fair. There is more information on our link below on setting up an account for your student.

Like last year, we also have an on-line fair that begins October 14<sup>th</sup> and will be open till October 31<sup>st</sup>. Any books ordered through our on-line fair will be delivered to the school in the student's name. There will be link on the school home page to direct you to the Scholastic on-line fair.
