

2018 SCRIP Newsletter

TGIFridays

We have 2-\$25 Friday's gift cards in our inventory. There is no longer a Friday's in the Huntsville/Madison area. However, maybe you can consider buying these as gifts for out of state family members.

Contact your SCRIP Coordinator if you are interested in purchasing these.

Why not try something new through shopwithscrip.co, and help out the environment? Consider reloading your gift card through SCRIP or taking advantage of ScripNow instead of getting a new plastic card. **Not all stores participate in these programs, but several favorites, like Target, are active. Check the shopwithscrip.com website for a full list of participating retailers.

Classroom Contest!

We are in the last few weeks of our yearly classroom SCRIP contest! If you haven't bought SCRIP this year, why not start now and help your child's class win an end of the year pizza party!

Winners will be announced in the May newsletter.
