### FROM THE PRINCIPAL'S DESK:

Parents,

After a long awaited planning and implementation process, we are finally launching a Facebook page today. You can also follow me on twitter at [twitter.com/lewissjb](https://twitter.com/lewissjb). I think the links will be on the website once you receive this newsletter.

I will warn you however, tweeting is not my first choice of communication so don't be surprised if you don't see many (I've had a twitter account for a year and done about 6 tweets).

We are excited to launch this effort and thank you for your patience. I am certainly the slowest member of the team on implementation but recognize the need for healthy and positive social media communication.

Just know, that I won't be on Facebook in the evenings.

Regards,

S. Lewis
