STANDARDIZED TESTING (IOWA AND COGAT) APRIL 24-27 FOR GRADES 3RD THRU 8TH

We will begin testing on **Monday, April 24th** and it will continue throughout the week. Testing will begin each morning at 8:00am and will finish by noon each day. Here are things you can do to help your student prepare:

Arrive at school on time or early. Being at school on time during testing helps students have a calm start to their testing day and ensures that they are prepared. Students that arrive **AFTER** testing has started that morning will not be permitted to enter the classroom until the first scheduled break.

Eat a healthy breakfast. Eating a nutritious breakfast will help students to be focused on the task of doing their best on the test instead of worrying about when they can eat.

Do not schedule appointments during testing. When students are out for a portion of testing, they are required to make it up. It can add more stress to your student if they know they are responsible for making up a test.

Present testing in a positive light. Remind your students that testing is an opportunity to see what they have learned, and what they still need to learn. Testing is not just about the individual, it is about us as a team helping the child to learn and make the most of the gifts God has given them.

Kite Day is Thursday, May 11.

This is for students in grades K4 thru 5th. If your students would like to participate, please have them bring in a kite. Middle school students will help with the younger grades.
