This week we are focusing on respecting our parents. God stresses the importance of respecting our parents in The Ten Commandments, but is also found in Ephesians 6:2-3 “Honor your father and your mother this is the first commandment with a promise, that it may go well with you, and that you may have a long life on earth.”

This week we will help our parents at home without them asking us to. This year we showed respect in many ways and places. God, please help us continue to show respect over the summer; especially to our parents.
