SCHOOL SERVICE PROJECT SAVE THE DATE - OCTOBER 24, 2015

October 24th is the date for the school-wide Fall service project. We will be working on the playground and flower beds around the school. More information will follow, so please watch for it in the upcoming folders.

St. John's School Board

NJHS Meeting: NJHS will meet Friday, October 28th. Please make every effort to attend. We will be discussing our group service project, Operation Christmas Child. Students may be picked up by the front doors of the school at 3:30. Any student not picked up by 3:40 will be sent to aftercare.

Mrs. Sloan

CONGRATULATIONS MATH TEAM! Our Math Teams participated in the first tournament of the year on the first Saturday of Fall Break at Cedar Ridge Middle School. We had a three person 7th grade team (teams normally consist of four people) and a one-person 6th grade team. In our division, St. John's brought home the 3rd place 7th grade team trophy and the 4th place 6th grade team trophy. In individual awards, 7th grader Brannan Scott won 8th place and 6th grader Nicholas Schovel won 7th place. We are so proud of you! Keep Ciphering!

Help Wanted - SCRIP Call to Action!

Help prevent our children from having to sell magazines, wrapping paper, cookie dough, and more! Your participation in the SCRIP program greatly benefits our school by providing the core income of the PTO budget. Even purchasing a \$100 Publix card with a 2.5% rebate once a week for 40 weeks will earn \$100 for our school. With 300 families participating, that can earn \$30,000! "It's no big thing, but you make big things out of little things sometimes." ~ Robert Duvall

Current bonus rebates include: Aeropostale 12%; Boscov's 10%; California Pizza Kitchen 13%.

Upcoming bonuses: GLSC Anniversary Celebration runs from October 24 - 31. For eight days, they will be offering a new set of 24-hour bonuses from favorite retailers each day. Check out details at www.shopwithscrip.com. Remember, your purchase of the special each day will earn you another entry in the October family participation raffle.

MIDDLE SCHOOL MATH NEWS:

Math Online

The middle school math teachers are pleased to announce that we now have two new features to assist our students. The first is IXL, an online program students may use to further their understanding and mastery of a wide variety of math concepts. All students have been issued usernames and passwords.

Tutoring Now Available

The second is the introduction of math tutoring, which will be available to middle school students Monday and Wednesday afternoons from 3:00-3:30pm with one or two of our math teachers. Parents will need to email Mrs. Sloan at dsloan@stjohnb.com with the student's name, grade, topic to be covered, and whether the students will go to aftercare or the front of the school at 3:30pm. Please send the email by 7am of the day you want your child to attend. Students not picked up by 3:35pm will be sent to aftercare.

Thanks you.
