YOU BE THE CHEMIST

Students in 5th through 8th grades have the unique opportunity to participate in this year's "You Be the Chemist" competition. In order to qualify to compete at the local competition level, students must take a multiple choice Challenge Qualifier. The date the qualifier will be offered will be after school on Wednesday, November 18th. Students must sign up to take the Qualifier, as the classroom has limited seating. Should interest exceed seating, a second test date will be offered. Upon sign up, a link to online study materials will be provided.
