Join Us for International Night

A Night Around the World

We are excited to announce that St. John the Baptist Catholic School will be hosting our **Second Annual International Night on Thursday, November 19!** The program will begin at 6:00 PM and end at 7:30 PM.

Last year's event was a wonderful success, and we are thrilled to continue this special tradition of celebrating the rich diversity of our school community. International Night gives families an opportunity to share and experience traditions, foods, music, clothing, customs, and activities from around the world.

This year, we encourage families to collaborate with one another to represent a country of their choice. Families interested in representing the same country are encouraged to connect and work together.

Families may participate by:

- **Host a cultural table or display** featuring items, photographs, clothing, crafts, or other materials that represent your chosen country.
- **Share a traditional dish** by bringing a sample for others to enjoy.
- **Participate in our traditional attire parade.**
- **Perform or share a cultural song, dance, or activity.**

Each participating family will be provided with one table, one chair, and a plastic table cover. The table cover is optional, and families are welcome to bring their own if preferred. If you need additional chairs, access to an electrical outlet, or any other special accommodations for your display or activity, please let me know in advance so we can make the necessary arrangements.

Each country table will also receive a map highlighting the country they represent, as well as stickers or stamps for students to collect in their International Night passports as they travel around the world!

Participation is completely optional, but we encourage all families to join us for this fun and educational evening. If your family would like to participate, please contact us by clicking on the link below and completing the form: <https://forms.gle/GWStHzDz4KNaNtY1A>

We will use your email address to share important updates and information leading up to International Night, and your phone number for a future GroupMe group.

Whether you choose to share your culture or simply come to experience the evening, we hope you will join us! We look forward to another memorable International Night filled with learning, sharing, and celebrating our school community.

If you have any questions, please contact both of us at krivera@stjohnb.com and Mrs. Arzonico at narzonico@stjohnb.com.

Thank you for your continued support!

Mrs. Rivera-Smith & Mrs. Arzonico
