2nd grade Reconciliation workshops and sacrament have been postponed. You should have already received notification from the church office. We will keep you apprised when rescheduled.

Re-registration and enrollment for new students. Re-enrollment paperwork should be sent out next week. We are still navigating how to have our K4 and K5 events—thank you for your patience. Have you reached out to family and friends with school age children regarding attending St. John's? Invite them to check out what a Catholic education has to offer!

GALA details will be out soon. YES, we are having an event. St. John's will not let the pandemic keep us from celebrating community and raising money for our school. It will look different but GALA is a GO!
