St. Vincent de Paul: Our school has worked to be a strong supporter of the SVdP organization in the parish. SVdP is an organization that is able to provide help for the needy directly and without red tape! Our school supports SVdP in various ways across the year. One important way is we ask the students to bring a canned good for the food pantry on Mass day (Wednesday). We would like to continue this practice this year. Since students are mainly attending mass virtually, we will still collect for SVdP in the school building. We know you may not be able to participate each week, but maybe you can chat as a family and set a goal in supporting this effort for the year. Then have your student be responsible for helping select the canned good and get it in the backpack the night before. What a great multitude of lessons learned in this effort: caring for the poor, responsibility, making decisions! Thanks in advance for your help in this effort.

END OF DAY UPDATES: We are now waiting until 3:00 to begin the car line. I know some are arriving early as we started early the first couple of weeks. In order to save your time in the heat, know that we won't begin until 3:00. Students not picked up by 3:15pm will be called for pickup at the front office. Thank you again for all of your cooperation and safety practices in dropping off and picking up students.
