Dear Parents/Guardians,

Each year prior to COVID, the school supported the St. Vincent de Paul (SVdP) organization by having each homeroom provide Christmas for a needy family. This was handled through the PTO and the room parent coordinator. Generally, the room parent collected money from all families interested in participating (a few dollars each) and then the room parent shopped for the items. Once the items were purchased, the room parent brought them to school and students sometimes helped wrap the gifts.

Naturally, this process is canceled due to COVID, but we know there are needy families still working with SVdP. SVdP will provide the families with gift cards instead of actual items. And that is where we come in! If you would like to make a monetary contribution to this effort, please send it to my attention in the school office. (Make checks payable to the school and we will issue them a single check.)

The turnaround time for this effort is quick. We need **all donations by Monday, Nov. 30, 2020**. So, please send in by this Friday or the day we return from Thanksgiving break. I know any assistance we can provide will be appreciated.

Thank you in advance.

Sherry Lewis

Thank you PTO for the salad and pretzels bites!

You are just the best!

For those of you wanting to support the SCRIP program but do not feel comfortable creating an account or stopping by Friday morning carline sales, you can also order using the attached order form. Fill out the form with what you would like, write a check to SJS PTO and send it to school in an envelope marked "SCRIP Order". We will fill your order and send it back to you in an orange envelope. Orders turned in to the office by 2:30 pm on Thursday are usually filled on Friday morning and sent home that afternoon. Even if you purchase one \$25.00 card each month, helps out the school. Please consider supporting the SCRIP program.

Any questions, please contact us at: sjscrip@gmail.com
