

From the Principal's Desk:

Looks like we made it! Words to an oldie but goodie song could never ring more true than this year. I wanted to take just a moment to say "Thank You" to all our parents, students, faculty and staff. No one could have predicted any of this pandemic experience; but, we took it day by day together and survived it. I know the Holy Spirit has been with us each and every moment and we are so thankful as Our God's guiding hand helped us survive.

I imagine you have Covid fatigue just like all of us so I pray the summer will provide you (and our employees) a break and much needed rest. Remember, we will communicate through the summer the plans for the upcoming year. We are all hopeful and encouraged at the prospect of a return to more "in-person" events. So stay tuned!

God Bless,
Sherry Lewis
