Schools supplies needed for Colors 4 Kids

Colors for Kids is a local program that gives new and used school supplies to the less fortunate through programs like the Boys and Girls Club of Madison County and local missions. Please donate any school supplies that are not needed. Accepting pencils, markers, notebooks, art supplies, anything that can be used to help this cause would be appreciated. We will have boxes located in the hallways for the last two weeks of the school year. Drop in any supplies and we will store and deliver to the local missions.
