**No Parking Safety Zones**

**St. John's Church needs your cooperation in heeding the **NO PARKING and NO STANDING** areas around campus. Please remember that parking and standing is not permitted at any time under the canopy in front of the church. The canopy area needs to be clear in case of an emergency. NEVER leave your vehicle unattended. Parking is also not permitted on the exit drive as the area needs to be clear to permit the safe passage of emergency vehicles. Please park only in the designated parking areas. Your cooperation is greatly appreciated in keeping our campus safe for all.**
